

Dipex Charity statement concerning Lord Stone of Blackheath

24/10/2019

We were deeply concerned to learn the findings of a recent House of Lords inquiry into complaints made against Lord Stone. We condemn the behaviour and comments attributed to him. They do not reflect the values of the Dipex charity.

Following the findings of the inquiry, Andrew Stone (Lord Stone of Blackheath) has stood down as President of the Dipex Charity. The trustees thank him for his valuable contributions to our organisation.
